Pete was great - so calm and reasonable and clearly everyone respects him - even if they disagree.

Hi Dave,

Region 2's event went smoothly as well.

The combination of the well-structured plan, support materials and comprehensive roll out proved highly effective.

Having Susan Bodine with us added greatly to the effort... A font of knowledge and an excellent communicator.

Congratulations to you, the Administrator and our teams in HQ and the Regions.

Sincerely,  
Pete

Everyone,

Thank you all for your efforts to support the Acting Administrator's rollout of our comprehensive PFAS Action Plan tomorrow. We very much appreciate your participation in this important event for our Agency and for the American public. We also appreciate the help from all your teams throughout the past year. Please pass on our deep appreciation and thanks to your respective teams! And please pass on this email to other core members of the team that I'm sure I'm missing at the moment!

We understand that the presenters have what you need for tomorrow's events, but please do not hesitate to contact me if you need further assistance. My direct cell phone is Personal Phone / Ex. 6
